

Her Summer at Pemberley

KITTY BENNET'S STORY

This *Pride & Prejudice* sequel is a Regency story that includes some of literature's most beloved characters, along with a new cast of friends, young and old.

KITTY BENNET MUST MARRY WELL but she also means to marry for love. Longbourn holds no hope for that. She must escape the shadow of her wild sister Lydia to re-establish her own reputation as a respectable young lady. A summer at Pemberley would do the trick. But to Kitty's surprise it takes more than a new location—she must learn who she is without Lydia, and what she wants in life beyond pretty bonnets and swaggering officers. Kitty's defiant passion for riding horses creates a bond with Mr Darcy and connects her with enigmatic Lady Drake. A dashing geologist and an inscrutable horseman catch Kitty's eye. New friendships, the power of legends and stones, and a journey to the royal mews in Windsor bring heartache, insight, and delight to Kitty's life-changing summer at Pemberley.

Her Summer at Pemberley is one of a collection of sequels and side stories inspired by Jane Austen's novels. Another, *The Pleasure of Her Company* (2023) tells Mrs Dashwood's story after *Sense & Sensibility*. For more information about available and upcoming books, visit <https://www.salliannehines.com>.
