

## ABOUT EDITING: an essential guide for authors

**A savvy author needs a working knowledge of editing.** With so many paths to publishing now, this is more important than ever.

**In this book authors will learn:**

- why to examine publishing choices from an editing perspective
- the types of editing and when each might be needed
- how to prepare your work to get the most out of your editing budget
- which editing tasks you can do yourself
- how to choose an effective editor—and where to find one
- how to save money on editing expenses

**Discover how editing** can smooth the path toward publishing success, however you define that.

*Available in ebook, paperback, and hardcover formats.*

### WHAT READERS SAY:

*"As someone at the stage of revising a manuscript, I found it clear and accessible to read, structured in a way that made perfect sense to me." FJ*

*"The section on different types of editing at different stages, with the support of beta readers, was especially useful. I wasn't previously aware of the different types and the unique focus of each one." AR*

*"This book will be a great reference to help authors bring their creative vision to a workable reality." HB*

*"Solved problems on my manuscript in the first few chapters. This book is easy to read and understand." NO*

### ABOUT THE AUTHOR:

SALLIANNE HINES owns Quinn Editing and works with writers of fiction and nonfiction to polish their work and format it for publication. Learn more at <https://www.quinnediting.com>.

SALLIANNE also writes contemporary and historical character-driven fiction, and nonfiction on topics of simple intentional living. She has three novels published, another in the works, and two nonfiction books nearly ready to launch. Discover more at <https://www.salliannehines.com>.
